On 10-19-01 at 1725 hours, Reporting Party Melinda Sidor came into the front desk to report receiving some annoying phone calls. I interviewed Sidor who told me the following.

RP told me that she began receiving a series of annoying phone calls on the evening of 10-18-01 at approximately 1845 hours. RP told me that her phone rang at this time when she answered the phone no one was there. RP said that she did not hear any background noise and her Caller ID showed "private number." Sidor said that, approximately 15 minutes later at 1900 hours, her phone rang again but this time it was a female caller. RP said that the caller asked her if she was the owner of 166 Streamwood in Irvine. RP said that she hesitated to give the caller any information but eventually said that she was the owner of the home. Sidor said that the caller asked if she was interested in selling her home and Sidor said absolutely not. The female caller said okay and the conversation ended.

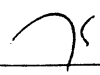

Sidor said she received another call at 1945 hours from what sounded like the same female caller. RP said that the same female voice said that this was a callback phone call and Sidor acknowledged that they had just spoken. RP said that there was a short pause followed by a shrill voice yelling, "You fucking bitch." RP said that the caller then disconnected the call. Another hang-up phone call was received at 2345 hours and again no background noise was heard. At approximately 2400 hours, a male caller called and yelled, "You fucking bitch" and disconnected the line. RP said that she did not recognize any of the voices and no background noise was heard in any of the calls and each call showed as a "private number" on her Caller ID.

Later that evening, at approximately 0245 hours on 10-19-01 RP said she was awakened by a loud banging but was unsure where it came from. RP told me that she was too frightened to get out of bed and investigate the sound immediately. After a few minutes, RP said that she crawled out of bed and went to the front door and looked out the peephole but no one was outside. More pounding was heard at approximately 0330 hours and RP was still awake from the previous pounding and could hear it coming from apartment above her.

RP told me that she contacted the association office and her neighbors on the morning of 10-19-01 to investigate the incidents of the night before. RP said that she suspects her upstairs neighbor may be responsible for the phone calls as well as the pounding but does not have any evidence as to who made the phone calls at this time.

See attached citizen's statement by Sidor (page #4-9) for further information.

NARRATIVE:							

ON FRIDAY, 10-19-01, AT APPROXIMATELY 1900 HRS, I WAS DISPATCHED TO 166 STEAMWOOD FOR A SUPPLEMENTAL REPORT TO AN ANNOYING PHONE CALL REPORT. I MET WITH MELINDA SIDOR, AND THE FOLLOWING IS WHAT SHE TOLD ME:

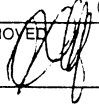

SIDOR SAID THAT SHE HAD JUST COME HOME THIS DAY FROM MAKING AN ANNOYING PHONE CALL REPORT AT THE POLICE STATION TO HAVE 4 MORE CALLS ON HER ANSWERING MACHINE THAT WERE VERY ANNOYING. SIDOR LET ME LISTEN TO ALL 4 CALLS (MESSAGES, BUT NO WORDS WERE USED). THE FIRST CALL FROM AN UNKNOWN PERSON WAS AT 1232 HRS. I LISTENED TO APPROXIMATELY 3-4 MINUTES OF WHAT SOUNDED LIKE SOMEONE MUNCHING POTATO CHIPS INTO THE RECEIVER. NOTHING FURTHER.

THE SECOND CALL CAME IN AT 1332 HRS. THIS CALL WAS ALSO THE SOUND OF SOMEONE MUNCHING CRUNCHY CHIPS WITH A FEW MOANS. THIS ALSO LASTED

ANNOYANCE CALL INSTRUCTIONS AND INFORMATION
“HARASSING CASE”**

Please read the following information pertaining to your Annoyance Call Case carefully. We are sorry to hear about your annoyance call problem. In order to help you as effectively as possible, please adhere to the following instructions:

1. The line identification equipment (trap) will be placed on your number within **24 hours** after your Law Enforcement case number (653M) has been received by the Traps and Traces Center. At that time you should begin collecting and reporting **daily** the dates and times of annoyance calls.
2. All calls to Pacific Bell regarding your annoyance call problem should be made to the Traps and Traces Center. The toll free number is 1-800-698-7223. Our office hours are: Monday - Friday, 8am to 5pm and Saturdays, 8:30am to 5:00pm.
3. The line identification equipment will remain on your line for approximately **14 days**.
4. It is very important to report the **exact** date and time of each annoyance call you receive. In order to identify your annoyance calls, you **must set your clock to official Pacific Bell time** (767- 2676 or 767-8900 in Northern California and 853-1212 in Southern California). Please be sure to note whether the call was received in the AM or PM.
5. It is also important to call the Traps and Traces Center the **next business day** to report annoyance call dates and times. If you do not receive any calls on a particular day, you do not have to call. If we do not receive any communication from you within the 14-day period, the line identification equipment installed on your line will be removed and your annoyance call case will be closed **without further notice**.
-  6. A case is considered **successful when two or more calls** have been identified from the same telephone number or location.
7. If your case is successful, your line identification equipment will be taken down and reviewed for accuracy. Your case will then be turned over to your local Law enforcement agency and you will be notified. Under no circumstances can Pacific Bell provide anyone but the law enforcement agency with **any information** about the source of the annoying calls. **Pacific Bell cannot release any information directly to you.** Please be aware that there is no guarantee your case will be successful.
8. Once your case has been turned over to law enforcement, we will officially close your Pacific Bell annoyance call case. You will then need to work with your local Law enforcement agency to resolve your annoyance call problem.
