32. We have had a history of problems with our neighbor							
33. in unit # 162 named Shawn. Since he has moved in,							
34. he continues to mind my business. First, he tells anyone

36. I heard him say this several times when I was just

38. please not tell people that I don't ever answer my door							
39. I thought this matter was resolved until another incident occurred

1.					at about 4 ⁴⁵ pm just to find any excuse to harass me,		
2.					in my opinion. In my opinion, by the things he says		
3.					such as "We are going to get you out of here" and		
4.					"I've heard everything about you" are said because		
5.					he has decided to be a part of a group of people		
6.					who live here that we don't even know by face, name		
7.					or address who target us for no reason except		
8.					that they are apparently bored and miserable and so		
9.					are looking for someone to hate. This "group" started		
10.					harassing us in 2000. This was two years after		
11.					we moved in. We had no problems at all with		
12.					any of our neighbors nor they us before 2000.		
13.					In April of 2000 I politely asked a neighbor		
14.					if she could hold down the noise she made		
15.					every morning at around 630 AM because she would		
16.					scream at her son. I was trying to sleep. Apparently		
17.					she did not feel that I have the right to be a		
18.					human being and make this request of her		
19.					so she started gossiping to her friends about me		
20.					this started a chain reaction that since continues to		
21.					escalate in trouble for us. I now fear for not only my		
22.					property but for my very physical safety I only go outside		
23.					when I have to because of people I don't even know

1.					yelling obscenities at me. I do not want to be		
2.					forced to move because of this escalating		
3.					hostility and prejudice against me for no reason.		
4.					I just spent 3 years decorating my home		
5.					with new carpets, home fixtures and self made		
6.					one of a kind artifacts. I am afraid to ever		
7.					take a vacation now because I'm worried		
8.					these trouble makers will rob and destroy		
9.					my house. I hope something can be done		
10.					to make these people stop bothering me us		
11.					(Please find enclosed thank you note from
