Lt. Davis,

I received your FAX dated 8/18/03, Reference (1), in which you answered my question on my request for two sealed sets of audio tapes for Irvine Police Report #DR 01-19823. But I have the following inquiry:

Are you not willing to give me, for the cost of \$60.00, **TWO SEPARATELY SEALED ENVELOPES** containing the subject audio tapes pertaining to the Irvine Police Report #DR 01-19823, in accordance with my request in References (2) and (3), because of the following three reasons?

- (a) The City of Irvine does not want me to know before the trial date that the Irvine Police Department has tampered with the subject tapes?
- (b) The City of Irvine has added to the subject tapes such things as the phrase "f\*\*\*ing b\*\*\*h whore", in order to discredit me by claiming that I tampered with our D.A. tape? The copy I purchased from the District Attorney does not have any recording of any message "f\*\*\*ing b\*\*\*h whore", as the victim of the Police Report #DR 01-19823 said there is.
- (c) The City of Irvine knows that, without such phrases as "f\*\*\*ing b\*\*\*h whore", the so-called annoying phone calls hardly look annoying?

I am wondering these things because the reason I pursue legal action against the City of Irvine in the first place is because of all the evidence we have against the Irvine Police Department that the Irvine Police Department prosecuted me in BAD FAITH. Is the Irvine Police Department continuing to act in bad faith by not providing the subject audio tapes sealed in accordance with Reference (3)?

Otherwise, why in the world would you not be willing to give us TWO SEPARATE SEALED ENVELOPED AUDIO TAPES, in accordance with Reference (3)????!! I am certainly not asking you to deliver me an asteroid from the asteroid belt in our solar system! And please do not tell me that you cannot meet my request in References (2) and (3) because it is not the procedure to do so; as that would be a really **lame excuse**. We are going to trial here!
