**SUBJECT:** ACCIDENT AT INTERSECTION OF LAKE FOREST DRIVE AND PITTSFORD ON 26  
MARCH 2005, O.C. SHERIFF CASE NUMBER 05-056677

I received your message on my answering machine. I am sorry I did not get back to you earlier, but I have been extremely busy.

We do not understand why your Sheriff Department needs to speak to us, because we told, your Sheriff Department all we know about the subject accident in our 4-page letter of 31 March 2005, which we also sent to your Sheriff Department again with our signatures on 21 April 2005.

But if your Sheriff Department has further questions or need for further information, you can send us correspondence, either to our home address or to my facsimile number (FAX) of (562) 593-3772, listing your questions in writing, and we will answer your questions promptly in writing.

The reason for answering your questions in writing is that we need documentation of what, your Sheriff Department asked and what we answered. We need this documentation because we have unfortunately had bad experiences with police agencies refusing to give us the documentation to which we are entitled, even when we paid for it! And then they refused to refund our money.

And unfortunately, your Deputy T. Spaulding, Badge #1252, added to these bad experiences when he refused to take our complaint of harassment by the two so-called - in our opinion - witnesses (in the white truck, CA License Plate 4V06418) who harassed, badgered, and verbally abused us. Deputy T. Spaulding refused to take our complaint on the excuse that their harassment is a "civil matter". To date, Deputy T. Spaulding, Badge #1252, has never responded to our question as to why he denied us what we believe to be our legal right to file a report of harassment on the two so-called - in our opinion - witnesses. We want an answer in writing as to why your Sheriff Department denied us our right to file our report of harassment, and we want your Sheriff Department to include this written answer in your written questions to us. We also request a copy of the police report and investigation when it is available.

When you send us in writing your further questions on the subject accident, we will send you our written responses.
