To Nicole Kageyama,

You are one mean, stupid, selfish, lazy, arrogant, lying flunky, Nicole Kageyama. The Candidas that I told you I had is gone thanks to the Nystatin that I told you I had been taking for it. Since you discriminate against patients who can't or won't take steroids, by not rendering them any medical services, we cancelled the \$15.00 co-payment that we gave your office. We don't care if you put it on our credit reports since creditors are judge, jury, and executioner, so the credit system is bogus. We don't care if you charge our health insurance company for rendering us no medical services since its just one crook crooking another crook. Do you dress like a slut because you do tricks to make enough money to compensate for the fact that you are a medical malpractice lawsuit waiting to happen? How interesting! Good riddance to you, brand new patients Elana Laham and Michael Laham. Any correspondence we receive from you will Not be read, Not be opened, Not be listened to, and either trashed or returned to sender.
