\* Dear Consumer:

We received your request concerning your Equifax credit file and have addressed your concerns. However, the information you provided as proof of your identity does not match your information currently on file. Therefore, to protect your credit information, we must ask for some additional information in order to verify your identification and address.

In order to receive the results of the investigation, a copy of one item in **EACH** of the categories below is needed in order to verify your identification and address. The item you choose in the identity category **MUST** contain your Social Security number, and the item you choose in the address category **MUST** contain your **current mailing address** of: **PO Box 66, Renton WA 98057-0066.**

**IDENTIFICATION**

- \* Social Security card
- \* Pay stub with U.S. Social Security number
- \* W2 form

**ADDRESS**

- \* Driver's license
- \* Rental lease agreement/house deed
- \* Pay stub with address

To ensure that your request is processed without delay, please enlarge photocopies of any items that contain small print (e.g. driver's license, W2 forms, etc). To avoid additional delays, keep in mind that if photocopies are not legible or contain highlighting, they may cause us to ask that you resubmit your request with more legible documents.

There is no fee to research your concerns. If you included payment in the form of a personal check, it has been shredded for your protection. If you included a money order, it is being returned to you in a separate mailing.

**Please submit the requested information and this letter to the address below.**
