SUBJECT: FIX THE SURROUND OF THE BATHRUB/SHOWER ENCLOSURE AND THE
BATHROOM CABINET UNDER THE BATHROOM SINK IN UNIT E-304.

To the staff of Newport Crossing Apartments:

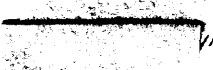

According to your own advertisement in "For Rent" Magazine on August 20, 2008, and according to your own Deposit and Rent Application signed by your Leasing Agent Jennifer Engel on August 24, 2008, our apartment, Unit E-304, that we moved into on September 1, 2008 is supposed to be "fully and newly renovated". We are paying the fully newly renovated RENT price.

However, on the day that we moved into our apartment, E-304, which was September 1, 2008, we found that the "surround" of the bathtub/shower enclosure - the walls surrounding the bathtub - in the bathroom is unfinished and has paint chipping off of its walls. Therefore, we need your contractors to fix it.

In addition, on the day that we moved into our apartment, E-304, which was September 1, 2008, we found that the paint under the bathroom sink in our bathroom cabinet is peeling away. Therefore, we need your maintenance personnel to fix it.

Now that we have completely moved in, we are home and available to let your contractors and maintenance personnel into the bathroom to repair the walls of the bathtub/shower "surround" and the bathroom cabinet underneath the bathroom sink, Monday through Sunday from 9:00 AM to 6:00 PM. No need to contact us. Just send your contractors and maintenance personnel over to our apartment E-304.

Sincerely,

 
Michael S. Laham Elana Laham
