Dear Ms. Morlee:

Each quarter California State University, Los Angeles recognizes high academic achievement on the part of outstanding undergraduate students by including them on the Dean's List. We are indeed pleased to notify you that you are on the Dean's List of the School of Health and Human Services for the Fall Quarter, 1989.

Only those undergraduate students who attained a quarter grade point average of 3.40 or higher, on at least 12 quarter units of work, and placed in the upper five percent of students in academic achievement in the School, are eligible for inclusion on the Fall Quarter Dean's List. Please accept my personal congratulations upon your academic achievements. I know that the faculty and members of the Administrative staff of the entire University join with me in words of commendation for your success.

You will receive an invitation to the annual Honors Convocation. We hope that you will be able to participate in this annual event in recognition of Cal State Los Angeles students who have achieved superior academic records.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Ruth Wu', is written over the typed name.
