SEO GEARS - Bad Product and Service

Posted: 2013-11-08 by [billjones1](#)

Complaint Rating:

SEO Gears Sucks!!! I signed up when I created my website for \$99 mo to "get on the first page of Google." 92 % retention rate. They post the same article to many different sites which hurts your SEO. When I asked them what back-links they have created they said it's a secret and can't say. The reason they have a low initial cancel rate is because they try to tell people who don't have knowledge of SEO that it takes time and you have to trust us, that is what they tried to do to me I have had other people do my seo and they always show you what backlinks or work they do....

BEWARE OF USING SEO GEARS FOR YOUR SEO!

After getting my website to page 1 on Google for a few keywords I turned over the work to SEO Gears to maintain and improve my ranking. After nearly 2 months my keyword ranking have completely fallen off page 1 on Google and I am losing potential customers because of this. I would never use them again....

Complaint Rating:

I purchased Seo Gears program to help me improve my search engine ranking, Optimise my site as they have promised and advertised. Well after i signed up for the program, the end result was the Opposite of what i inteded to buy the program for, , SEO GEARS cuased a huge decline in my website's traffic, costing me alot of money, I called my hosting company and asked for a refund and cancelation of the program which i got done, But the Problem is As a REVENGE seo Gears attacked me by REMOVING thousands of PAGES AND ARTICLES that were already INDEXED by GOOGLE and major search engines, the process...
