\*\*\* ATTENTION \*\*\*

Your e-mail is being returned to you because there was a problem with its delivery. The reason your mail is being returned to you is listed in the section labeled: "----- The delivery status notification errors -----".

The line beginning with "Diagnostic-Code:" describes the specific reason your e-mail could not be delivered. The following lines contains the RFC822 header of the original email message.

Please direct further questions regarding this message to your e-mail administrator.
