Americans Overseas Domestic Violence Crisis Center

We work with abused American women and children in foreign countries to provide domestic violence, child abuse advocacy and sexual assault advocacy, resources and tools so that they can navigate the complicated jurisdictional, legal & social international landscapes, to be able to live free of abuse either in the foreign country or back in the United States via an international toll free crisis line, 866-USWOMEN, accessible from 175 countries, serving a population estimated at 7 million American civilians living overseas, 1.1 million military personnel and their dependents and the 68 million Americans that travel overseas every year.

This is truly an amazing organization that makes it possible for victims of domestic violence and sexual assault overseas to be heard and to receive help. These victims often fall through the cracks due to the lack of support and resources available while living abroad. For many of these victims, this organization is their only hope. I am proud to work for such a passionate and dedicated team.
