**To Cheryl, Supervisor,**

**We were not able to send Elana Laham's fingerprint file as an attachment to the e-mail we sent you due to a failed delivery notice claiming the size was too big. We tried to do so twice.**

**See attachments D and Fto this e-mail failed delivery notices.**

**Yet we were able to send Michael Laham's fingerprint file as an attachment.**

**Both Michael Laham's and Elana Laham's fingerprint files are the SAME SIZE.**

**How WEIRD!!! Why did your e-mail system accept one and not the other???**

**We have the coloured scanned copies of our fingerprints verifying that what we say is the truth.**

**You have the original fingerprints. Look at those as any two year old can see that there was never ever anything wrong with Elana Laham's fingerprints.**

**Or you can give us another e-mail address that is not prejudiced against Elana Laham's fingerprint attachment.**

**From Michael Laham and Elana Laham**
