if gohan would really wanna protect his family and friends he would never stop training martial arts because he knows that it's only a matter of time before another strong even stronger enemy than before will come to earth. he learned more than once that if his friends can't depend on him he would lose them. it happened in z 3 times - with raditz he

 Hey man amazing video and I completely agreed with you!
 There is one thing however that doesn't make sense at all. While I love that Gohan is happy and that he cares about his family but that is what supposed to motivate him.
 He almost killed by Freeza and he knows very well that there are even MUCH stronger

 So who is going to be the HERO/HEROINE at the end of the Dragon Ball Anime??? Vegeta the most powerful warrior in the cosmos?! After all he is not only from a RACE - the Saiyans, he is also the PRINCE of the Saiyan Race. And only blue blooded ROYALTY from the ARYAN RACE can be the BEST right?! We are to admire them, worship them, serve them... those ELITIST who are destroying our world, who are such bully cowards that they are threatened by the rest of us being inspired by a CARTOON!!! Peace out.

 If there is any intelligent life out there...Question: Gohan fans...why do you think or feel that the TRUE GOHAN in DB anime has been suspiciously diminished??? Answer: Akira Toriyama's DB Anime has been hijacked by THE POWERS THAT BE in our own world of good and evil in order to deprive us OF THE AWESOME INSPIRATION THE TRUE GOHAN'S AURA ALWAYS SHOT US IN THE NERVOUS SYSTEM WITH. So that we cease and desist from doing something HEROIC to make our OWN WORLD a BETTER SAFER PLACE to live in.

+ Steven Van, For Your Information - Jerk is spelled jerk. If you are aspiring to be a jerk as you say you are, how can that happen if the other half of your comment is not important? Being that it is missing I do not know what you are trying to convey to me or anyone else. Anyway how about an intelligent discussion? I bet it will be more fun? Or are you on the payroll to write crap?

I believe that Gohan will start training again sometime in Dragon Ball Super, and quite possibly become stronger than he ever was before. Honestly though I don't think Gohan will go SSB anytime soon or ever, but maybe he will go SS3. One reason Gohan can't go SSB is because you have to be a full blooded saiyen to go SSG, and Gohan is only half

But no, the TRUE GOHAN cannot be a husband, father, scholar, and BADASS fighter can he? Yes he can! Just like we people have to execute different roles in our lives in order to survive and thrive...how much the more so the TRUE GOHAN can with all of his immense and intense energy.

Reply ·  

Midnight Writer 3 weeks ago

The TRUE GOHAN hates fighting...but he also loves to be a hero.

A lot of fans love Gohan because of his awesome POWER. He is the only Z fighter who is a mystic warrior, whose definition is to align oneself to the God Source and in that manner be able to unleash thru righteous anger unlimited fighting potential.

Some fans, like myself, love Gohan because of his compassionate CHARACTER. He loves humanity - not just his family or friends, but all people.

Due to Gohan's CHARACTER - his desire to protect justice - Gohan is potentially the strongest fighter of all. God gave Gohan the gift of the mystic warrior to use for humanity's sake. No other citizen of earth has such potential power including the Z fighters. So to not use his one of a kind contribution to the world is WRONG.

The TRUE GOHAN knows that sometimes heroes have to make sacrifices as one of the prerequisites for being a hero is to be selfless. This is why in previous DB anime Gohan did battle alongside the Z fighters against foes like Frieza, Cell, and Buu.

In times of peace the TRUE GOHAN will pursue his own personal dreams of being a husband, father and scholar and he has an inalienable right to.

However, in times of war the TRUE GOHAN, whose heroic strength is measured by the size of his compassionate heart, will be there as a fighter to protect justice.

Why isn't he?

In other words, why are we fans of Gohan being deprived of the awesome INSPIRATION the TRUE GOHAN's aura always shot us in the nervous system with??

Gohan fans...why do you think or feel that the TRUE GOHAN in DB anime has been suspiciously diminished???

Gohan had the responsibility to keep training. What's the purpose of being a good scholar if the world is destroyed and your family killed? You are one of the few beings in the universe that can save millions of lives and you waste your time like that? Ridiculous

Nobody should ever hate on gohan, when gohan fault cell he fought out of true emotion like all sayains, however gohan is the only sayain to gain power from anger and sadness at the same time. Gohan surpassed gokus power level when he was a teenager and was able to surpass goku because of his ability to gain power through both emotions when goku sacrificed himself only to fail to kill cell. Gohan is dragon ball super is still able to surpass goku or vegeta in a second. Besides he may look nerdy but when you piss him off he wouldn't look so nerdy then would he.

Then future Trunks would be like, "Oh! That's the Gohan I know/remembered." I know it's a far stretch but hey... I could always dream right? ahahha Gohan turning like

I know most of you won't agree, but Gohan is a half saiyan and IMHO he was never meant

to reach the same levels as the two full blooded saiyans. In saying that I would still like to see him move up to ss3 or ss4 in newform. I don't think he should get a god form but a level that could compete with or keep up with ssjg. That could open up his story and spark new ideas to further advance all the half saiyans limits.

Midnight Writer 3 weeks ago

Though Saiyans are very powerful...remember Gohan is the only mystic warrior there is. If you look up the word "mystic" according to the western hemisphere English definition it has to do with being an ally to God. God is the absolute and ultimate power source of the cosmos. From the God Source one gains unlimited potential power. Only pure hearted warriors can attain such a level. So it really has nothing to do with full or half breed or Saiyan race per se. Vegeta - a full blooded Saiyan Prince is not a mystic warrior because he fights to surpass Goku. Goku, whose name means, "He who saves lives" is not a mystic warrior since although he is a hero who fights to protect the innocent he also fights to be number one under the sun. Gohan only fights to protect justice and for no other reason. So his heart is entirely pure. That being said he can access unlimited Saiyan strength and Saiyan speed thru Divine energy. In other words, a hero's power is measured by the strength of his heart.

I DO hope to see Gohan tap into more of his hidden potential. He's always been my favorite.... but you are right...he's happy and doing "Gohan" for the first time in his life.

So, maybe we could see something tied into that that makes him unlock more potential. Also, it would be nice if he used his intelligence in fights, rather than being like Goku and Vegeta.

Actually Gohan is a strategic fighter. In the DB movie "Broly's Second Coming" Goku sets up an opportunity to drown the Legendary Super Saiyan Broly in a river of lava. Also in the DB movie "Wrath of the Dragon" Gohan figures out what the villain Hirudegarn's weakness is. And throughout the DB anime series observe the variety of highly skilled kick moves Gohan executes, which he uses more than any other Z fighter. Kicking is more difficult than punching.
