What I got out of your thirty-minute long-winded rehash of Dragon Ball is that...

1) You stated that Gohan hates fighting so he is not a true warrior. Remember and do NOT forget both sides of the equation. On the one hand, Gohan only fights out of necessity, as he hates fighting. On the other hand, Gohan loves being a hero who protects humanity with his fists [Saiyaman DBZ]. In times of peace Gohan is a HUSBAND, FATHER and SCHOLAR. But in times of war Gohan is a FIGHTER who protects justice. But no, Gohan cannot be a husband, father, scholar, and a warrior can he? Yes he can! Just like we people have to execute different roles in our lives in order to survive and thrive...how much the more so Gohan can with all of his immense vigor and intense energy.

2) You stated Gohan is only motivated to fight for his loved ones. Remember and do NOT forget both sides of the equation. Gohan cares about his family and friends but Gohan also cares about humanity just as deeply. Here is a salient example: When Goku, Vegeta, the Supreme Kai, Kabbitto (spelling) Kai, Piccolo, Krillin, and Gohan discovered the whereabouts of Babadi's space craft it was Gohan, no one else, not even the Supreme Kai, who noticed a father, mother, and infant lying dead on the ground near the space ship's underground hide away. Babadi's henchmen had senselessly murdered these innocent defenseless people. This scenario made Gohan's face grow dark with anger and has hands clench his knees with rage [Buu Saga DBZ]. Here is another for instance: When the people of earth gave up their energy to Goku's spirit bomb in order to vanquish kid Buu, Gohan held within his arms and lap a stranger, an adolescent boy, and watched him to make sure the young boy did not give away too much of his life force and die [Buu Saga DBZ].

3) As you said yourself, Gohan's rage boosts are out of NEED not WANT. Did you know it

Was Gohan an SSSJ1 or 2 against Dabura

was his full-blooded Saiyan, battle addict, father Goku who taught him that, "necessity is the mother of invention" when they were in the Hyperbolic Time Chamber? That exact fatherly advice is how Gohan attained SS1 and SS2 in order to fight Cell [Cell Saga DBZ]. Anyway, it is precisely those rage boosts that Gohan undergoes that make him what is known as a Mystic Warrior. The Mystic Warrior is the most powerful fighter there is for his might comes from God, you know the Creator of all creation, who happens to be the ultimate and absolute power source of the entire cosmos. A Mystic Warrior is one who is an ally to God. It is from Divine energy that one is able to UNLEASH thru righteous anger UNLIMITED potential fighting POWER.

4) Gohan's self doubts as you called it handicapped his capacity to be a warrior. To the contrary they enhanced it. Gohan courageously overcame his own cowardliness, which is a greater feat of valor than one who has never ever known fear. Gohan as a child was afraid to fight with the z fighters. Adult Gohan fought foes bigger, stronger, and faster than he all by his self [Broly Second Coming Movie].

5) You said that Gohan has to TRAIN to tap into his unlimited potential power. This is a misnomer. This is an ignorant statement made by people who do not grasp the definition of what it means to be a Saiyan or a Mystic Warrior. Unlimited potential power is tapped into thru the transformation process. Gohan's heroic strength is measured by the size of his compassionate heart. The same was said of the Greek hero Hercules (I am not referring to Hercule Satan). Get it? It's the heart that makes one mighty not the body. Or it's the size of the fight in the dog not the size of the dog in the fight. For Goku, Gohan, and Trunks it was their righteous anger fueled by their sorrowful losses that allowed them to transform into Super Saiyans not any training. And for Vegeta it was when he let go and stopped trying so hard to be a Super Saiyan that he turned into one not any training. What training is for is to hone one's fighting skills.

Gohan's love for humanity is so vast God gave Gohan the gift of the mystic warrior to use for humanity's sake. Gohan is the only Z fighter who is a mystic warrior. No other citizen of earth has such potential power including the Z fighters. That is why Gohan is the best and ought to have been the main character of Dragon Ball as Akira originally was grooming Gohan to be.

6) According to you the makings of a true warrior are dependent upon one's confidence versus humility. All too often the word confidence gets misconstrued to mean arrogance instead of sureness, and the word humility gets misconstrued to mean timid instead of respectful. Anyway, what makes a true warrior has nothing to do with either confidence or humility. A true warrior is the one who fights for what he believes in and what he believes in is doing the right thing because it is the right thing to do.

7) You mentioned that half-blooded Saiyans do not have the desire to be the best like full-blooded Saiyans do. What a RACIST remark. Vegeta - a full-blooded Saiyan Prince is not a mystic warrior because he only fights since he loves to fight and in order to surpass Goku. Goku, whose name means, "He who saves lives" is not a mystic warrior since although he is a hero who fights to protect justice he also fights since he loves to fight and in order to be number one under the sun. Gohan, who is half Saiyan and half human, however, only fights to protect justice and for no other reason. So his heart is entirely pure. For the purpose of fighting is to no longer have to fight. To NOT let Gohan use his one of a kind contribution - the mystic warrior - in the world is a DISGRACE.

Anyway, Vegeta and Gohan are so busy training to see who has the status and power to be the so called best fighter that they do not even know earth is in danger and are not even available to save the planet. Bulma has to bribe Whis with her cake in order to alert Goku and Vegeta that resurrected Freiza was killing off the z fighters and threatening the world. What good is it to be the most powerful fighter you can be if you are so busy TRAINING in order to boost your own ego that you miss your opportunity to save innocent lives? Thanks to Bulma and only Bulma the earth was spared [RF Saga DBS]. In addition, those full-blooded Saiyans got their own planet Vegeta blown up by the wicked Freiza because they decided to work for the evil Freiza since they love to fight. If all you do is fight to fight then what is the purpose of fighting? In other words what are you fighting for? As Piccolo said to Gohan, "You've shown me that power is nothing if not guided by love" [Baby Saga DBG].

8) You said that a lot of fans love Gohan because of his awesome POWER. Some fans, like myself, love Gohan because of his compassionate CHARACTER. Gohan's CHARACTER and Gohan's POWER cannot exist one without the other for it is his PURE HEARTED rage to only fight to protect justice that fuels an UNLIMITED potential power in him, which makes Gohan the strongest fighter of all. Being that Gohan is a mystic warrior, Gohan in potential is able to access unlimited Saiyan strength and unlimited Saiyan speed in order to attain whatever power level is required of him to beat whichever foes emerge to threaten innocent lives throughout the Dragon Ball Sagas.

9) You asserted about Gohan that this is just the way that it is. Gohan fans cannot help that the writer, Akira Toriyama built Gohan's character only to demolish it. What Gohan fans do know is that it does not have to be that way by asking the question... why has Gohan's character been disenfranchised? Why does an artist destroy his own creation that he spent so much time and energy throughout the Dragon Ball anime series developing? Gohan was going to be the main character of Dragon Ball from the moment he came into the world as Chichi's and Goku's son.

Answer...when the full-blooded Saiyans' die the half-breed Saiyan, Gohan – the Mystic Warrior - must be there to carry the TORCH – source of enlightenment.

So why isn't he? Why did Akira Toriyama create Gohan only to destroy Gohan??? It does not make any sense!!!

Here is a clue! Have you ever wondered why your favorite hero/heroine movies either have no sequels to them or have sequels that are not as good as the original movie?

Gohan is a Dragon Ball character VIEWERS can RELATE to.

So Akira Toriyama decided to marginalize Gohan for the reason that Akira Toriyama's Dragon Ball Series has been hijacked by THE POWERS THAT BE in our own world of good and evil in order to DEPRIVE us of the AWESOME INSPIRATION GOHAN'S AURA ALWAYS SHOT US in the NERVOUS SYSTEM with so that we will CEASE and DESIST from doing something HEROIC to make our OWN WORLD a BETTER SAFER PLACE to live in.

So who is going to be the greatest HERO at the end of Dragon Ball? Vegeta?! Vegeta is not only from a superior warrior RACE - the Saiyans, but Vegeta is also the PRINCE of the Saiyan Race. Or, maybe Trunks, who is the son of the Prince of the proud Saiyans?! After all, only ROYALTY from the ARYAN RACE can be the BEST, right?! We are to admire them, worship them, and serve them...those ELITISTS who are destroying our world; who are such pathetic, pitiful BULLY COWARDS they are THREATENED by the rest of us being INSPIRED by a mere CARTOON of fiction! So the problem with Gohan fans is that they are not willing to accept your paid off Bull Crap.

"You can't destroy what I am. There is no end for me, no end." [Gohan, History of Trunks, DBZ].

We Will Keep GOHAN ALIVE in our HEARTS and in our MINDS FOREVER.

Gohan, being a half breed, doesn't have the battle thirst like Vegeta and Goku or just full blood Saiyans in general. Trunks is the same but like it was said in this video he HAS to fight just like Future Gohan. There's no one left so it's a "must" to be the strongest.☹️

I honestly had no problems with Gohan not being relevant until that little moment he had in ROF saga. I never had a problem in the Buu saga and I LOVE sayianman, I thought it was a natural step of his character and he also was having fun, something we rarely got to see Gohan have. So I had no problems with him in the end of Z, I had no problems with him in

The fact that Gohan fans don't realize this tells me they aren't actually fans and don't know their own favorite character.

I would like to preface this by saying that I am a Gohan fan who was introduced to the series much after z ended, so I knew full well how Gohan's character would develop as I watched it.

Honestly if Gohan wanted to train properly in Super he would have went to whis. Anyway I always knew Gohan was like this. I have been arguing with my friends about how Gohan isn't a fighter and a mere pacifist but they're too stubborn.🙄

You should make one on Vegeta fans next.

Reply •  **Andrew Smith** 2 weeks ago

I still like Gohan the best, sure I would like to see him play a bigger role these days but hey I understand why he is the way he is now. If there is a direct threat to his family that's about the only thin that'll push him to fight again.🙄

Reply •  **KillamriX98** 3 weeks ago

My only issue with Gohan is that he DOES have a family now and for fuck's sake, how many times does he have to get burned before he realizes: hey, maybe I should keep up on my training JUST IN CASE another asshole tries to kill us all?

I cannot believe a DBZtuber would actually step in and stop these Gohan "fans". I am also a Gohan fan, but I am not like the others who rant because he is now weak. I don't care what he path he chooses as long as he went and achieve his dream, as a scholar. Instead of other Gohan "fans", as a real Gohan fan, I'd support him even more, coz it's not like he's

I think it is less of gohan being a the best and more of him being at least USEFUL. His best feat in super is being a light bulb for goku...

The nostalgia I felt when You called krillen by his japanese name >.<....

I agree with some points you made but also disagree with a few. But first I have a question.

Where do you rank Gohan during BoG movie or BoG Arc (Super)? Do you have him weaker or the same?

Reply •  **456jm** 3 weeks ago

Makes me think back to what Goku told Gohan while they were training in the Hyperbolic Time Chamber before Cell Games, "Power comes in response to a need not a desire". Goku lost sight of that by looking out for his own interests instead of the interests of his own son.

What I am wondering is... Why didnt he come to Bulmas house after Black appeared? And what about the other Z-Fighters? They should have sensed the energy and get curious.

Its just so weird that all this shit is happening and nearly nobody on earth knows about it.
