One reason why Gohan should be the hero is b/c he's actually a REAL hero someone who fights not b/c they want to but b/c they need just like Superman. Goku should have been the new Vegeta and have Gohan as the knew Goku. I use to be a HUGE Goku fan but considering that he loves to fight (Freakin thanks alot Ares) lol I don't really see him as a

But seriously I hope Gohan becomes the same hero back from the cell games because we all know that he is the one person that surpassed Goku at a excessively powerful level and he's really gonna need the strength to reassure that it will not be a reenactment of the movie revival of frieza where he's pretty much Yamcha no offense to all you Yamcha fans

Thumbnail makes me happy. Lol I would have loved to see Gohan vs. Winnie the Pooh. I feel like Gohan would end the match quickly because he would realize all he had to do was lift him and throw him out the ring

why is there two types of version of this movie like in one version gohan is almost killed but piccolo dies for him i think but gohan gets severely injured and the other version is where gohan and piccolo are still alive and not hurt like the other version

Gohan needs to go surrender himself to being retrained by "Vegeta" not Piccolo. As Vegeta will be absolutely fucking merciless to him!

Im honestly liking goku less and less tbh he's stayed the same while Gohan has evolved and changed and so has Vegeta tbh... although I found Vegeta annoying at the beginning of dbz I'm really beginning to like him in dragon ball super

Yajirobi was a naturally strong fighter, he is a bitch. He could have kept on training and learned how to fly.🤔

First, off: Really hope that Gohan does get to fight in Buu's place. Second... Is there a possibility that Gohan may actually die?

the idea of a "replacement" doesn't make much sense. The whole point of the tournament is to eliminate contestants, right? I get that they only want to fight against smart beings, but in my mind it makes more sense that each team starts out with 5 fighters, and then each team enters the "pipeline" of the tournament, where fighters are eliminated until there

gohans not coming back, if you lose the fight than your out, team beerus will eliminate enough champa fighters so that its equal, vegeta is going to sweep through all of them
