Do you guys think gohan deserves the hate? I personally think its ridiculous. Most of the gohan fans are fake, and only liked him for his strength. Yeah you know yourself, you Power-gold-digger person....shame on you. go to your room ! and if you are in your room already, then umm...get out and go back in your room

Regarding Gohan's character development you stated in your video, "The Dragon Ball fandom...is...unbelievably retarded..." "I...worry about the logic of Dragon Ball fans..."

As an avid Gohan fan here is what I have to say about Gohan...Gohan is the BEST and ought to have been the main character of Dragon Ball as Akira originally was grooming Gohan to be for the following reasons:

1) Gohan is a unique and awesome fighter. Gohan has so much control over his own Ki that when he powered up to SS2 in the marshal arts world tournament all of the stones in the fighting arena elevated off the ground and hovered up in mid-air until Gohan reached the pinnacle of his transformation. At which time every single stone dropped back down into its original place [World Tournament Saga DBZ].

2) Gohan is a Mystic Warrior. A mystic warrior is one who is an ally to God – the ultimate & absolute power source of the entire cosmos. It is from Divine energy that one is able to UNLEASH thru righteous anger UNLIMITED potential fighting POWER. Gohan is the only Z fighter who is a mystic warrior. No other citizen of earth has such potential power including the Z fighters. Vegeta - a full-blooded Saiyan Prince is not a mystic warrior because he only fights since he loves to fight and in order to surpass Goku. Goku, whose name means, "He who saves lives" is not a mystic warrior since although he is a hero who fights to protect justice he also fights since he loves to fight and in order to be number one under the sun. Gohan, however, only fights to protect justice and for no other reason. For the purpose of fighting is to no longer have to fight. So his heart is entirely pure.

3) Gohan's heroic strength is measured by the size of his compassionate heart. A lot of fans love Gohan because of his awesome POWER. Some fans, like myself, love Gohan because of his compassionate CHARACTER. Gohan's love for humanity is so vast Gohan does NOT just fight for his family or his friends, but for the whole world. So God gave Gohan the gift of the mystic warrior to use for humanity's sake.

4) Gohan's CHARACTER and Gohan's POWER cannot exist one without the other. It is his PURE HEARTED rage to only fight to protect justice that fuels an UNLIMITED potential power in him, which makes Gohan the strongest fighter of all. Being that Gohan is a mystic warrior, Gohan in potential is able to access unlimited Saiyan strength and unlimited Saiyan speed in order to attain whatever power level is required of him to beat whichever foes emerge to threaten innocent lives throughout the Dragon Ball Sagas.

5) Human beings have a dual nature. Gohan has a yin and yang personality. Both Gohan and us have to strive to achieve balance between our twofold selves.

Here are some of Gohan's well-balanced Yin & Yang traits:

MYSTIC WARRIOR | Power Guided by Love  
 BRAVE | Courageously Overcame Own Cowardliness  
 SMART | Professor of Science | Strategic Fighter  
 NICE | Humble Easy Going | Yet Serious, Intense  
 VALUES FAMILY | Caring Husband | Attentive Father  
 NOBLE FIGHTER | Offers Chance to Give Up | Only Uses Lethal Blows if No Other Way  
 STEADFAST INDIVIDUAL | Always Does His Best | He Never Slacks Off  
 HERO | Cares about Humanity | Not just Loved Ones or Friends

6) Gohan's yin and yang persona is dynamic, which makes his character exciting. For example, on the one hand, Gohan only fights out of necessity, as he hates fighting. On the other hand, Gohan loves being a hero who protects humanity with his fists [Saiyaman DBZ]. So in times of peace Gohan is a HUSBAND, FATHER and SCHOLAR. But in times of war Gohan is a FIGHTER who protects justice. But no, Gohan cannot be a husband, father, scholar, and a warrior can he? Yes he can! Just like we people have to execute different roles in our lives in order to survive and thrive...how much the more so Gohan can with all of his immense vigor and intense energy.

You also stated in your video, "Gohan will shine again".

What you say in your video is a malicious vicious TEASE!  
 Isn't it enough that Akira Toriyama is a sell out?  
 See my write up below called "Memorial to Gohan" for details.

Stop hating, blaming, and calling Gohan fans fake. The only thing fake here is you, your web site, and your commentators. How much do you all get paid to put up your false opposition?

★

#### MEMORIAL to GOHAN

When the full-blooded Saiyans' die the half-breed Saiyan, Gohan – the Mystic Warrior – must be there to carry the TORCH – source of enlightenment.  
 So why isn't he? Why did Akira Toriyama create Gohan only to destroy Gohan??? It does not make any sense!!!

Here is a clue! Have you ever wondered why your favorite hero/heroine movies either have no sequels to them or have sequels that are not as good as the original movie?

Gohan is a Dragon Ball character VIEWERS can RELATE to.

So Akira Toriyama decided to marginalize Gohan for the reason that Akira Toriyama's Dragon Ball Series has been hijacked by THE POWERS THAT BE in our own world of good and evil in order to DEPRIVE us of the AWESOME INSPIRATION GOHAN'S AURA ALWAYS SHOT US in the NERVOUS SYSTEM with so that we will CEASE and DESIST from doing something HEROIC to make our OWN WORLD a BETTER SAFER PLACE to live in.

So who is going to be the greatest HERO at the end of Dragon Ball? Vegeta?! Vegeta is not only from a superior warrior RACE - the Saiyans, but Vegeta is also the PRINCE of the Saiyan Race. Or, maybe Trunks, who is the son of the Prince of the proud Saiyans?! After all, only ROYALTY from the ARYAN RACE can be the BEST, right?! We are to admire them, worship them, and serve them...those ELITISTS who are destroying our world; who are such pathetic, pitiful BULLY COWARDS they are THREATENED by the rest of us being INSPIRED by a mere CARTOON of fiction!

"You can't destroy what I am. There is no end for me, no end." [Gohan, History of Trunks, DBZ].

We Will Keep GOHAN ALIVE in our HEARTS and in our MINDS FOREVER.

here are questions why didn't bulma mass produce the sensu and analyze them that would be smart also why doesn't gohan ask whis for the knowledge of the universe I respect he wants to be a scholar but he's seen aliens there's so much knowledge he can bring to the human society he could learn about tons of things from whis and be the best scholar

Weak Logic. Be happy for him...have him be like this...etc.

We all wanted and expected Gohan to take over after Goku died. He was the strongest no fused character in buu saga at unlocked potential( yes. Stronger than ssj3)

Pathetic sad fanboy? Lol nah. I just know when to recognize trash. Honestly y'all are both the sad ones. You guys will take whatever toriyama gives and make it seem amazing no matter what. DBZ had flaws but it was iconic. GT had major major problems but had some ideals that if polished would be great.

I loved Gohan's character. He was literally thrown into fighting cause he had too I loved it. My issue is he's not even remotely strong. He can barely go super Saiyan. Goten is essentially stronger...I can understand him losing unlocked potential and only having ss2 but come on...his weakness is terribly disgusting. I'm happy he has

You don't get the point, gohan has the most potential and he needs to be the most powerful sayan and you all know it, DBS without gohan is boring!! they need to do something with it..

**Angel Mora** 6 days ago

Do you think gohan could train in the room of spirit and time for a few hours every day? That way he can get stronger and still be the scholar

Reply •

**StreyoneX** 1 week ago

My issue with DBS Gohan isn't the fact that he focused on family and studying. It just seems to me that the life he's lived wouldn't allow him to fall so far from the badass he became, and that he still could be relevant if his intellect was played upon. It's like after

But he was like "So ya'll got everything from here? Alright cool" and just decided to let go

Hey man I love your videos btw. That being said im happy for gohan, but his passive attitude is slowly erasing him as a main character. Think about it since Dragon ball is about action no one wants to see a passive gohan. So I fell like im watching my favorite character disappear

 **Timedragon** 2 weeks ago

Finally, someone who understands Gohan's character! It keeps getting on my nerves all the complaining about "What happened to Gohan?". People compare him to the Gohan from the Trunks' timeline, but they're missing the point, that Gohan was forced by the circumstances to become a warrior, in a peaceful world he would have chosen a different

The logic of dragonball fans is that gohan is the strongest out of all the saiyans and regardless of all the other crap you've talked in this video (hence the little to no fucking views) I love gohan but if shit hits the fan and hes needed he wont have the adequate training level. SIMPLE and tbh you are also silently ranting throughout.
