

righteous Gohan says about being SCARED, your DB Absalon anime agrees with the wicked Kosho that FEAR is for WEAKLINGS. What Gohan said about FEAR is that it lets us know what our limitations are so that we will be at our best - most alert when we do fight.

Plus Rikido in DB Absalon 5,2 already told us that his father Gohan was very mad at him for being scared of a dog. After what Gohan said to Kosho about fear he woulda, shoulda, coulda NEVER EVER be angry with his son Rikido. So your animation has plotheoles. But this is what happens when you tell lies.

Every single creature on earth has FEAR. FEAR allows one to SURVIVE by FLEEING instead of FIGHTING enemies that are too strong and too fast for one's self to overcome. Without fear every living creation of God on this planet will be DEAD eons ago. Hello lifeless planet earth. So stop discrediting fear. MERCY is a strength when used with wisdom. So stop perverting it. Once you have defeated your enemies by rendering it impossible for them to retaliate due to your overwhelming might against them you can show them mercy or if necessary a mercy killing if they still pose a possible threat to you. The true Gohan, whom you refuse to portray, will know that he has not vanquished Kosho. So Gohan will annihilate Kosho like he finally did Cell and Bojack.

You advertise that your animation is free. But it is clear by the way that you are writing it that the elite bully coward POWERS THAT BE are funding it. So hello Akira Toriyama once again. Why am I not surprised. These POWERS THAT BE have an agenda...Akira Toriyama decided to marginalize Gohan for the reason that Akira Toriyama's Dragon Ball Series has been hijacked by THE POWERS THAT BE in our own world of good and evil in order to DEPRIVE us of the AWESOME INSPIRATION GOHAN'S AURA ALWAYS SHOT US in the NERVOUS SYSTEM with so that we will CEASE and DESIST from doing something HEROIC to make our OWN WORLD a BETTER SAFER PLACE to live in.

So who is going to be the greatest HERO at the end of Dragon Ball? Vegeta?! Vegeta is not only from a superior warrior RACE - the Saiyans, but Vegeta is also the PRINCE of the Saiyan Race. Or, maybe Trunks, who is the son of the Prince of the proud Saiyans?! After all, only ROYALTY from the ARYAN RACE can be the BEST, right?! We are to admire them, worship them, and serve them...those ELITISTS who are destroying our world; who are such pathetic, pitiful BULLY COWARDS they are THREATENED by the rest of us being INSPIRED by a mere CARTOON of fiction!

So you are nothing more and nothing less then a false opposition Absalon anime, full of bogus web pages, and fake paid off commentators. I am a real actual fan of Gohan and I have just given you a piece of my mind. Do NOT bother commenting on my post or replying to my post via my e-mail as I will refuse to read it. I am posting this for educational purposes only to other genuine DB fans who might trickle onto your web site. And I bet you will delete my post - censor me - so you can foolishly try to run away from the truth. But as Gohan once said, "You can't destroy what I am. There is no end for me, no end." [History of Trunks, DBZ]. And if you do NOT delete my post it is only because I am exposing you and so you do NOT want the public to know that you are a false opposition.

- Absalon too, but you guys don't give DBS a chance! Just because the RoF arc and the first half of the Battle of Gods arc sucked, doesn't mean the rest doesn't! I mean, look at Goku Black! Probably as Dark as you can imagine. I mean, he literally took away Trunks' future

So much unnecessary graphics that confuse and make it hard to watch. Need to focus more on the enjoyment of the viewer to be able to see and understand whats going on while emphasizing on graphics at key points. Dont need them for every single move or blow. Id like to see the characters blend in with the terrain and background as well. Not just
