The question is...How did Videll fall in love with Gohan? Why isn't the question also...How did Gohan fall in love with Videll?

Perhaps it is because Gohan never ever fell in love with Videll. Instead Videll PUSHED Gohan into marrying her. "I am not finished with you yet Gohan!" Says Videll [Buu Saga DBZ]. But Gohan is no PUSH OVER, PUSH UNDER, OR PUSH THROUGH. Gohan is a HERO. Consequently, Gohan has a STRONG character.

The definition of a hero is a person who performs courageous (brave) acts OR who has a noble (decent) character.

What kind of a hero is Gohan? Gohan is a person who performs courageous (brave) acts AND who has a noble (decent) character. Gohan cares about the people he saves. Gohan is humble (respectful) towards others.

The people of earth are sacrificing their energy to Gokū's spirit bomb in order to destroy Kid Buu. Gohan is sitting on the ground in the middle of some random street holding an adolescent boy in his lap cradling the barely conscious stranger in his arms while watching him intently to make sure that the youngster does not give too much of his life force away and DIE [Buu Saga DBZ].

What kind of heroine is Videll? Videll is a person who performs courageous (brave) acts. Videll does not care about the people she saves. Videll is arrogant (disrespectful) towards

others.

"My mind is made up. I'm going to jump." Says Hoi. "No problem. Just take my hand first." Says Gohan. "Get back I want to die!" says Hoi. "Then what are you waiting for?" Asks Vidal. "Vidal what are you doing?!" Asks Gohan. "Well Gohan we don't have all day!" Says Vidal. "Fools. You'll see." Says Hoi. And he jumps. "He jumped." Says foolish Vidal all surprised [Wrath of the Dragon movie DBZ].

If one intends to save a suicidal victim one has to convince that individual that he or she is NOT helpless, hopeless, or worthless before one can rescue that person from jumping to his or her demise.

So if Hoi truly wanted to kill himself he will climb back up onto that bridge and jump off when there is no Gohan around to catch his fall...thanks to Vidal's words.

As soon as Gohan discovered what Vidal was truly like, Gohan will have no more to do with Vidal.

So what kind of heroine will Gohan be attracted to? Gohan will gravitate towards a female hero just like him self.

They say that opposites attract. Well...that's if you like breaking up and a getting divorce. Compatibility is what keeps a relationship happily ever after.

If you ask me I think the chemistry between Gohan and Vidal is so transparent it's very non-existent.

If you have to say that you're "Humble," even just to explain the type of guy you are, you're not "Humble."

If I was asked to describe myself, I still wouldn't name the adjective "humble". Even though I could. But I wrote it anonymously in the comments section of a YouTube video where it's pretty clear why the word "humble" could be dropped that easily. Of

GohanXVidel is probably the best developed romantic relationship in the whole series. I mean Bulma and Vegeta pretty much entirely happened off screen. Goku and Chichi was just kind of weird they met two three times and fell in love with just immediately.

Another reason I think Videl fell in love with Gohan is that Gohan was mysterious to her. Some women like their men mysterious.

You hit the nail in the head, Gohan is a gentleman and you know his mom raised him right.

If Gohan didn't have Powers and Satan was not known for saving the world but something else. Then having real world measures and the two having the same personalities, Gohan and Videl would have never been a thing to never actually meeting. They would either never have a reason to even talk to have never met at all.

it just me, or did Gohan get a better over all woman then Goku? hell, Vegeta and Krillian to.

cause Chi Chi is really .... bitchy a lot of the time, where as you don't really see that from Videll, 18 or Bulma.

true, but I can't really say I remember a time in Z when Chi Chi wasn't REALLY bitchy, and she still is bitchy in Super, even after several years of Goku being around.

Reply •  

**Nick Dahl** 1 month ago

She really only became bitchy after her husband basically died and her son was kidnapped by the son of a genocidal demon king, who is also a slug man. Put a bit of undue stress on her.
