To Chief of Police Hori Rami,

I have sent you numerous faxes and numerous e-mails for the last two months.

Yet I have received no reply from you.

So now you can enjoy your negative publicity on the Internet for the entire Internet world to know that you, Chief of Police Hori Rami, are a police officer who takes bribes that endanger peoples' lives on my website www.bullcrapbusters.com on my web pages "Updates 8/10/18" and "Updates 9/14/18", indefinitely.

I am an Israeli citizen who pays my taxes. Yet you refuse to conduct an investigation on a threatening note, which is a crime, that I have reason to believe Susana Vexler addressed to me, and on the trash that I have reason to believe Susana Vexler deposited against my apartment door in contempt of court and in violation of my protection orders against her.

You ignoring my repeated requests to conduct an investigation only proves to the public that Susana Vexler is a criminal and that you take bribes that endanger peoples' lives from criminals such as her. Otherwise, why in the world do you refuse to investigate? I bet Susana Vexler's fingerprints are all over the note and the trash.

I bet you have hurt and harmed a lot of innocent people by taking dirty money from criminals – people who break the Law and people who are in contempt of Court. So, as a public service to humanity, I am happy to have the opportunity to expose you as the Bribe-ster that you are.

And I reject you and your Karmiel Police Department since it is a Police Department of Bribery.

Congratulations.

From Elana Laham
