

TARGUM – Fax – Translator Denied by Yunis Wiedad

Below is an ASCII-type-written text of the reply provided by Yunis Wiedad on 06 July 2017 to our request for an English Interpreter for Case 26667-05-17, which request was sent on the same day:

הנתבעת רשאית להגיע לדיון בליווי מכר מטעמה השולט בשתי השפות העברית והאנגלי שיסייע לה בתרגום במהלך הדין.

Here is a Google Translation of the above text:

The defendant may come to the hearing accompanied by an acquaintance on her behalf who controls the two Hebrew and English languages that will assist her in translation during the discussion.
