Head Judge Ziad Salach, enjoy your negative publicity on the Internet as I am exposing you on my website as the supervising Judge who allows Judge Yunis Wedad to takes bribes to rule unfair and unlawful verdicts. However, if you decide to do your job by instructing Judge Yunis Wedad to provide equal treatment to all parties who approach her bench by providing me with a translator, which according to Israeli Law I am entitled to have, and by ruling a verdict at the Susana Vexler versus Elana Laham Hearing according to the evidence and facts of the case then I will make positive posts about you on my web page for the entire Internet world to know about. Go to www.bulldrapbusters.com and click on "Updates 6/8/17" web page to see what the entire Internet world is reading about you. (See "Updates 6/8/17" web page fax attachment to this fax).

Due to the observation below, namely her breaking Israeli Law by denying me an English interpreter, the one and only reasonable conclusion that I, Elana Laham, can have is that Judge Yunis Wedad has taken a bribe from Susana Vexler to rule an unfair, unlawful verdict against me.

She made it obvious that she is biased against me because she is not willing to let me defend myself in a court of law, which is my legal right to do as an Israeli citizen. By not providing me with a translator, she is rendering me deaf to the Hearing and mute from being able to present my defense.

She said in her fax reply to my fax inquiry for a translator, "The defendant is entitled to come to the hearing accompanied by a friend. And the English (friend) will help her to translate the discussion." (Google translated). (See Judge Yunis Wedad fax attachment to this fax). She did not even tell me why she refused to provide me with a translator for Susana Vexler's Lawsuit.

For your information, we are new Israeli immigrants and we do not have "friends" that know both English and Hebrew. For your information Judge William Hamed provided me with a translator for case #13488-04-17. (See Judge William Hamed fax attachment to this fax).

The injunction: "Judge your neighbor fairly" (Lev. 19:15) was interpreted as prescribing equal treatment by the court for all parties before it (Shev. 30a; Yad, Sanh. 21:1; HM 17:1). In particular, the parties must all be given the same opportunity..." (Ibid). This source derives from the Torah – the Jewish Bible – which is based upon moral and ethical codes of conduct as given to the Jewish people by God – the Divine source.

On June 13, 2017, I spoke with Hanna, who is a Legal Advisor. She works for an organization called S.H.I.E.L.D. I asked her, "By Israeli law does a judge of the Magistrate Court have to provide me (the defendant) with a translator?" Her answer was, "Yes, as long as I make a request to the court for a translator", which I did when I sent my fax to Judge Yunis Wedad.

On June 16, 2017, I spoke with Tzach, who is a Student of Law. He also works for the organization called S.H.I.E.L.D. I asked him, "By Israeli law does a judge of the Magistrate Court have to provide me (the defendant) with a translator?" His answer was, "Absolutely Yes".

Susana Vexler wrongfully claims that I banged on her door with a hammer. Therefore, I damaged her door. Thereby, I owe her 650 Israeli Shekels/180 US Dollars. In addition, she is suing me for 1900 Israeli Shekels/530 US Dollars for a new door lock.

Yet she, the Plaintiff, presents ZERO evidence that I did any such damage.

If the reader is interested in viewing Susana Vexler's written statement then please go to [hyperlink 25](#) at www.bullcrapbusters.com.

However, I, the Defendant, have overwhelming evidence that I did NOT do any such damage.

I submitted my statement of defense to the Court on June 5, 2017.

Susana Vexler's violent male visitor physically attacked me. I was very afraid of him. So I did not go near her apartment. So, no, I did not bang on her door with a hammer. Therefore, I did not damage her door. Thereby, I do not owe her any money.

Susana Vexler's violent male visitor named VITLAY ZETZKAV physically attacked me. Twice he forcefully entered my apartment without my permission by SHOVING me backwards into my own home. Then, he THREW her TRASH onto my chest. After that, he tried to HIT me in the face with his fist but he missed. He physically attacked me

According to Susana Vexler's Lawsuit her door was hit with a hammer and according to N.P the Doors Ltd Estimate she is claiming that she has to have a new door lock. However, no damage was done to the front of her door's lock. (See photos 5A, 5B, 5C, and 5).

And a hammer cannot damage a lock if the door is closed because the dead bolts are in the door jam. And a hammer cannot damage a lock if the door is open since the dead bolts are retracted into the door.

Susana Vexler's Lawsuit states that the damage happened on December 31, 2016. Yet the date of N.P the Doors Ltd Estimate for fixing her door's lock is May 11, 2017. If there was damage to her door's lock, why did she wait five months to make a claim that her door's lock must be fixed? (See N.P the Doors Ltd Estimate and Susana Vexler's Lawsuit claim).

The Akko Court House's protocol for small claim's lawsuits is that both the Plaintiff – accuser (Susana Vexler) and the Defendant – accused (Elana Laham) are required to submit written statements including evidence explaining why the Court woulda, shoulda, coulda render a verdict in their favor.

On June 6, 2017, I submitted a fax to the Akko Court House requesting an English interpreter for the Hearing of Susana Vexler's Lawsuit scheduled for September 24, 2017, at 10:40 a.m.

On June 7, 2017, The Judge presiding over Susana Vexler's Lawsuit , whose name we discovered is Yunis Wedad, posted a reply on my fax that she was denying me an English interpreter without even so much as giving me a reason why.

If the reader is interested in viewing the fax request for an English interpreter from Judge Yunis Wedad denied then please go to [hyperlink 28](#) at www.bullcrapbusters.com.

On May 3, 2017, Judge William Hamed provided me with an English interpreter for case #13488-04-17. So why wasn't Judge Yunis Wedad willing to? HOW WEIRD!!!
