במכתבך נאמר כי אתה "מפנה אותי" לגישור וכולל את שמו של המתווך, דני כפרי, ואת מספר הטלפון הנייד שלו 050-8910222, ולא היה ברור לי למה התכוונת במילה "הפניה". האם אתה מזמין אותי להשתתף בגישור, או שאתה מציע לי להשתתף בגישור?

העובדה שאתם מזכירים לי תיווך בכלל ובאופן בלתי-סופי זה מראה שאתם מתעלמים מהראיות שהגשתי לבית המשפט בהצהרת ההגנה שלי ב-5 ביוני 2017 על התביעה של סוזנה וקסלר.

גישור הוא דבר שופט עושה, הוא אמר, "במקרים משפטיים בהם לא לתובע ולא לנאשם אין כל הוכחה לטענותיהם. אז, השופט לא יכול לקבוע מי נמצא ומי טועה. סוזנה וקסלר הציגה אפס ראיות שפגעתי ברכושה. הצגתי הוכחות ניכרות לכך שלא פגעתי ברכושה של סוזנה וקסלר. עם זאת, ברור כי בשל הראיות שלי הגישור אינו מתאים במקרה משפטי זה.

31 בדצמבר, 2016, יום שבו אמרה סוזנה וקסלר בתביעה שלה שפגעתי ברכושה, הוא אותו יום שבו ויטלי זצקב, המבקר הגברי האלים של סוזנה וקסלר, תקף אותי פיזית על ידי פעמיים נכנסתי בכוח לדירה שלי ללא רשותי בכך שדחפתי אותי בחזרה לבית שלי. ואז הוא זרק את האשפה (פיצה) של סוזנה וקסלר מן המסדרון אל חזי. אחר כך הוא ניסה להכות אותי בפנים באגרופו, אבל הוא החטיא. הוא תקף אותי פיזית בלי ללבוש תחתונים בצבע כחול.

Your letter stated that you "refer" me to mediation and included the name of a mediator, Danny Kafri, and his cell phone number of 050-8910222, and it was unclear to me what you meant by the word "refer". Are you ordering me to attend mediation, or are you suggesting I attend mediation?

The fact that you are mentioning mediation to me at all and in such an untimely manner shows that you are ignoring the evidence that I submitted to the court in my statement of defense on June 5, 2017 for the Susana Vexler lawsuit.

Mediation is something a judge does for "he said she said" legal cases in which neither the plaintiff nor the defendant has any proof of their claims. So, the judge cannot determine who is in the right and who is in the wrong. Susana Vexler has presented zero evidence that I damaged her property. I have presented substantial evidence that I did not damage Susana Vexler's property. That being said, it is obvious that due to my evidence mediation is not appropriate for this legal case.

December 31, 2016, which is the day Susana Vexler states in her lawsuit that I damaged her property, is the same day that Vitlay Zetzav, Susana Vexler's violent male visitor, physically attacked me by twice forcefully entering my apartment without my permission by shoving me backwards into my own home. Then, he threw Susana Vexler's (pizza) trash from the hallway onto my chest. After that, he tried to hit me in the face with his fist but he missed. He physically attacked me wearing nothing but blue colored underwear.

בית משפט עכו # 26667-05-17 פקס 04-987-6638 עמוד 3/5

בנוסף, ויטלאי זצקב הניח מנעול על הקופסה החשמלית, כך שלא אוכל להיכנס לצד שלי של הקופסה החשמלית כדי להעביר את המתגים החשמליים כדי להחזיר את החשמל לדירה שלי, אם וכאשר החשמל ייפסק. הצגתי גם בהצהרת ההגנה שלי תמונה שלו בווה באיום על דלת הדירה הסגורה שלי, כשדלת דירתה של סוזנה וקסלר פתוחה ושתי תמונות של אותו מנעול על קופסת החשמל.

אתה, הסכים איתי שויטלי זצקב הוא סכנה לאיש שלי מאז שנתת לי צו הגנה (מקרה מס' 5390-04-17), נגדו לשלושה חודשים, והושטתי אותו לשנה אחת על פי בקשתי.

אני פוחדת מויטלי זצקב. ויטלה זצקב התארח בדירתה של סוזנה וקסלר ב-31 בדצמבר 2016. לכן, לביטחוני האישי לא התקרבותי לדירה של סוזנה וקסלר. לפיכך לא דפקתי על דלתה בפטיש. לכן לא פגעתי בדלת. בזאת, אני לא חייב לה כסף. אז, אין לי שום דבר כדי לתווך.

In addition, Vitlay Zetzlav put a lock on the electric box so I cannot enter my side of the electric box to flip the electric switches to turn the electricity back on in my apartment if and when the electricity goes off. I also presented in my statement of defense a photo of him staring menacingly at my closed apartment door with Susana Vexler's apartment door open and two photos of him putting a lock on the electric box.

You, agreed with me that Vitlay Zetzlav is an endangerment to my person since you granted me a Protection Order (case #5390-04-17), against him for three months, and extended it to one year upon my request.

I am afraid of Vitlay Zetzlav. Vitlay Zetzlav was staying in Susana Vexler's apartment on December 31, 2016. Thus, for my own personal safety I did not go near Susana Vexler's apartment. Hence, I did not bang on her door with a hammer. Therefore, I did not damage her door. Thereby, I do not owe her any money. So, there is nothing for me to mediate.

אם זה פרוטוקול בית המשפט כי יש לך להציע לי גישור אז למה אתה מציע לי גישור בצורה כזאת בטרם עת?

למה המלצתם על התיווך לי ב-14 בספטמבר 2017, שהיה יום עסקים אחד בלבד לפני יום השימוע, שהיה ב-17 בספטמבר 2017, אותו הקצה לי בית המשפט לתביעה של סוזנה וקסלר?

למה לא היית ממליץ על תיווך לי ב-4 ביולי 2017, לפני חודשיים, כאשר בית המשפט הודיע לי שאתה התובע השופט של סוזנה וקסלר?

הסיבה היחידה שנתת לי לדחיית הדיון היתה "אילוצי בית המשפט". מה זאת אומרת "אילוצי בית המשפט"? אם "אילוצי בית המשפט" פירושו שלבית המשפט יש יותר מדי מקרים משפטיים אזי בית המשפט בוודאי ידע זאת כבר זמן מה.

אז למה אמרת לי רק יום עסקים אחד לפני מועד הדיון בתביעה של סוזנה וקסלר שזה נדחה?

למה לא הודיעו לי מוקדם יותר, כי תאריך השמיעה לתביעתה של סוזנה וקסלר נדחה?

If it is court protocol that you have to offer mediation to me then why are you offering me mediation in such an untimely manner?

Why did you recommend mediation to me on September 14, 2017, which was only one business day before the Hearing date, which was September 17, 2017, which the court had assigned me for Susana Vexler's lawsuit?

Why didn't you recommend mediation to me on July 4, 2017, two months ago, when the court notified me that you are the presiding Judge for Susana Vexler's lawsuit?

The only reason you gave me for the postponement of this Hearing was "court constraints". What do you mean by "court constraints"? If "court constraints" means the court has too many legal cases then the court must have known this for some time.

So why did you notify me only one business day before the Hearing date for Susana Vexler's lawsuit that it was being postponed?

Why didn't you notify me sooner that the Hearing date for Susana Vexler's lawsuit was being postponed?

אנחנו פנסיונרים בני שישים החיים על פנסיה קטנה. תביעת סוזנה וקסלר היא לא רק על 2,550 שקל סוזנה וקסלר מוכן לשלם שוחד לבית המשפט שלך לסחוט מאיתנו. אם היא תנצח את התביעה המזויפת שלה על ידי תשלום שופט, כי אין לה ראיות כדי להוכיח את הטענה שלה אז היא תמשיך לעשות זאת לגזול לנו את כל ההכנסות הפנסיה שלנו.

האם נהיה חסרי בית כי יש שופטים שמקבלים שוחד?

סוזנה וקסלר הוא פחדן בריון שהפך את חיי לגיהנום חי מזה כשנתיים שאני חי כאן.

למה שנאה כזאת פשוט כי אני לא אוהב אותה לשים אותה אשפה על ידי דלת הדירה שלי מאז זה מביא מקקים המאמן לתוך הבית שלי חוסם את הכניסה שלי ולצאת מהדירה שלי!?

We are sixty year-old retirees living on a small pension. The Susana Vexler Lawsuit isn't just about the 2,550 shekels Susana Vexler is willing to pay bribes to your court to extort from us. If she wins her bogus lawsuit by paying off a judge because she has no evidence to substantiate her claim then she will continue to do so and rob us out of our entire pension income.

Are we to become homeless because there are judges who accept bribes?

Susana Vexler is a bully coward who has made my life a living hell for the past two years that I have lived here.

Why such hatred just because I do not like her putting her trash by my apartment door since it brings coach roaches into my home and blocks my entrance and exit from my apartment?!

So why did Judge Zahava Banar notify me only one business day before the Hearing date for Susana Vexler's lawsuit that it was being postponed?

Why didn't Judge Zahava Banar notify me sooner that the Hearing date for Susana Vexler's lawsuit was being postponed?

We are sixty year-old retirees living on a small pension. The Susana Vexler Lawsuit isn't just about the 2,550 shekels Susana Vexler is willing to pay bribes to your court to extort from us. If she wins her bogus lawsuit by paying off a judge because she has no evidence to substantiate her claim then she will continue to do so and rob us out of our entire pension income.

Are we to become homeless because there are judges who accept bribes?

Susana Vexler is a bully coward who has made my life a living hell for the past two years that I have lived here.

Why such hatred just because I do not like her putting her trash by my apartment door since it brings coach roaches into my home and blocks my entrance and exit from my apartment?!

On September 19, 2017, I will be sending the following fax to Judge Zahava Banar, who is presiding over the Susana Vexler Lawsuit:

"To Judge Zahava Banar

Judge Zahava Banar enjoy your negative publicity on the Internet as I am exposing you on my website as a Judge who takes bribes to rule unfair verdicts by ignoring the evidence of my legal case. However, if you decide to do your job by providing equal treatment to all parties who approach your bench by ruling a verdict at the Susana Vexler versus Elana Laham Hearing according to the evidence of this legal case then I will make positive posts about you on my web page for the entire Internet world to know about.

I have posted the following nonsensical development of the Hearing for Susana Vexler's lawsuit (case #26667-05-17), on my website (URL) www.bullcrapbusters.com web page (html) Updates 6/8/17 for you to see what the entire Internet world is reading about you.

[I have included my web page in this fax].

Due to the following observation, the one and only conclusion that I, Elana Laham, can have is that you, Judge Zahava Banar, have taken a bribe from Susana Vexler to rule an unfair verdict against me.

On September 17, 2017, I went to the Akko Courthouse for the Susana Vexler lawsuit Hearing, which was scheduled for September 17, 2017 at 10:00 a.m., to inquire as to what room it was going to be in. The court clerk gave me a copy of a letter from you stating that the Hearing date for Susana Vexler's lawsuit was postponed until January 31, 2018 @ 10:00 a.m. That is three months from now. I had already waited two months for this Hearing. Your letter was dated September 14, 2017.

[I have included a copy of your letter in this fax].

Your letter stated that you “refer” me to mediation and included the name of a mediator, Danny Kafri, and his cell phone number of 050-8910222, and it was unclear to me what you meant by the word “refer”. Are you ordering me to attend mediation, or are you suggesting I attend mediation?

The fact that you are mentioning mediation to me at all and in such an untimely manner shows that you are ignoring the evidence that I submitted to the court in my statement of defense on June 5, 2017 for the Susana Vexler lawsuit.

Mediation is something a judge does for “he said she said” legal cases in which neither the plaintiff nor the defendant has any proof of their claims. So, the judge cannot determine who is in the right and who is in the wrong. Susana Vexler has presented zero evidence that I damaged her property. I have presented substantial evidence that I did not damage Susana Vexler’s property. That being said, it is obvious that due to my evidence mediation is not appropriate for this legal case.

December 31, 2016, which is the day Susana Vexler states in her lawsuit that I damaged her property, is the same day that Vitlay Zetzlav, Susana Vexler’s violent male visitor, physically attacked me by twice forcefully entering my apartment without my permission by shoving me backwards into my own home. Then, he threw Susana Vexler’s (pizza) trash from the hallway onto my chest. After that, he tried to hit me in the face with his fist but he missed. He physically attacked me wearing nothing but blue colored underwear.

In addition, Vitlay Zetzlav put a lock on the electric box so I cannot enter my side of the electric box to flip the electric switches to turn the electricity back on in my apartment if and when the electricity goes off.

I also presented in my statement of defense a photo of him staring menacingly at my closed apartment door with Susana Vexler’s apartment door open and two photos of him putting a lock on the electric box.

You, agreed with me that Vitlay Zetzkav is an endangerment to my person since you granted me a Protection Order (case #5390-04-17), against him for three months, and extended it to one year upon my request.

If the reader is interested in viewing my ninety day Protection Order against Vitlay Zetzkav that Judge Zahava Banar issued me then please go to hyperlink 15B at www.bullcrapbusters.com.

If the reader is interested in viewing my one year Protection Order against Vitlay Zetzkav that Judge Zahava Banar issued me then please go to hyperlink 34C at www.bullcrapbusters.com.

I am afraid of Vitlay Zetzkav. Vitlay Zetzkav was staying in Susana Vexler's apartment on December 31, 2016. Thus, for my own personal safety I did not go near Susana Vexler's apartment. Hence, I did not bang on her door with a hammer. Therefore, I did not damage her door. Thereby, I do not owe her any money. So, there is nothing for me to mediate.

If it is court protocol that you have to offer mediation to me then why are you offering me mediation in such an untimely manner?

Why did you recommend mediation to me on September 14, 2017, which was only one business day before the Hearing date, which was September 17, 2017, which the court had assigned me for Susana Vexler's lawsuit?

Why didn't you recommend mediation to me on July 4, 2017, two months ago, when the court notified me that you are the presiding Judge for Susana Vexler's lawsuit?

The only reason you gave me for the postponement of this Hearing was "court constraints". What do you mean by "court constraints"? If "court constraints" means the court has too many legal cases then the court must have known this for some time.

So why did you notify me only one business day before the Hearing date for Susana Vexler's lawsuit that it was being postponed?

Why didn't you notify me sooner that the Hearing date for Susana Vexler's lawsuit was being postponed?
